When you hear the word **FAMILY**, is this the image that comes to mind?

There are, of course, many Families just like this one.

But how about these?

Or these?

OUR VISION :

"An Ireland in which people define their own Families, and in which all those Families are treated equally"

OUR MISSION :

"To promote equality, acceptance and understanding in Irish society For all Families"

WE WORK TOWARDS :

- A widespread awareness of the diversity of Families
- The necessary social and legal changes to ensure equality For all Families
- Ensuring that government policies are "Family-proofed"
